Hi, ChatGPT! Generate a modern art remake for 'Girl with Peaches' painting. A young girl sits at a large wooden table covered with a white cloth, similar in composition and lighting. She is unwrapping a Kinder Surprise egg. She is dressed in a pink hoodie with a print of Shrek on her chest and a bow pattern on her sleeves. A smartphone is placed on the table where the knife was. A Labubu vinyl figure is on the table in the bottom-right corner. Three peaches and leaves are next to her. The background is the same sun-drenched dining room with wooden chairs.
